## iEARN-USA: International Education and Resource Network

**Resource Type:** Website

*iEARN-USA is a member of iEARN (International Education and Resource Network), the world's largest non-profit global network that enables young people to use the Internet and other new technologies to engage in collaborative educational projects that both enhance learning and make a difference in the world. This global network of K-12 online collaborative projects are thematic-based and adhere to best practices of project-based learning. Established in 1988 as a pioneering online program among schools in the United States and schools in the Soviet Union, iEARN has grown to serve more than 20,000 schools in 120 countries.*
